Farwell drinks

Food Safety: A Complicated Challenge

- consumers are out to demand...
- microbes are out to spoil....
- crooks are out to cheat...
- terrorists are out to kill....
- the press is out to nail you down....
- governments are out to fine....
- companies are focused on profits...

Our mission

“To be the world’s leading independent GFSI recognized ISO based food safety management system for the whole supply chain.”
